### **Thank you, Great Clips of Sunnyvale!**

We can't picture everyone here, but **40** Hope's Corner guests received fabulous haircuts and styles from these caring professionals who donated their time and expertise. Look at those smiles! Thank you to the team of stylists from Great Clips in Sunnyvale.

"We are so happy to help the guests at Hope's Corner with haircuts. We hope to make them look and feel better. We care about them." - Great Clips Stylist Ann

### **It's still cold and flu season!**

Stanford Medicine Flu Crew was onsite on Saturday, January 27th. They provided free flu vaccines to 10 Hope's Corner's guests.

### Volunteer Spotlight

Sabrina heard about Hope's Corner from a friend and started volunteering on Saturdays 2 years ago. She enjoys the camaraderie and energy amongst the volunteers. Working in such a positive and productive environment is what makes her want to come back each week. She is happy helping out in any job, but her favorite is the coffee service because she gets to interact with the guests and welcome them back each week. Sabrina has lived in Mountain View her whole life. She likes spending her free time hanging out with the people who are most important to her.
